Property Description

Hua Hin real estate market boosted by airport
The Hua Hin Airport will welcome flights from Malaysia starting in May 2018.
Air Asia announced it will operate four-times weekly flights linking Kuala Lumpur to Hua Hin starting in May.
The move will have a far-ranging impact with the Hua Hin real estate market among the many sectors set to benefit.
While long popular with residents of Thailand, the seaside town has struggled to become an international destination.
In order to reach Hua Hin, international tourists currently have to cope with a three-hour car/minibus journey from Bangkok.
This option is unappealing when compared to the 90-minute drive it takes to reach Pattaya.
However, that could change with Air Asia now flying into the city.
