Property Description

We want to help you get to grips with the process of buying a property in Thailand. Whether it is for your own use or purely for investment, use our step-by-step guides to aid smooth transaction of your next property purchase. Property ownership Before venturing out to view prospective properties it pays to do your homework to understand the different ownership structures that are available to you. Pros and Cons of buying a leasehold property There is a lot to consider when buying Thai real estate. Perhaps no question is bigger than the decision of freehold or leasehold. Buying leasehold property is not always seen as a desirable option for those overseas. That said, there are times when buying Thailand leasehold property can make sense. Buying off-plan property Want to get ahead of the game? Then buy a property off-plan using our guide to make the most of this common method of purchasing a property. Fees when purchasing property There are various fees that are payable by either the buyer or seller when a property is sold, which we have broken down for your quick referral.
