Property Description

December 02, 2016 A survey by Plus Property Co Ltd, (a property agency arm of Sansiri Plc), said the market response rate for Hua Hin and Cha-am stood at 72 per cent, with a high demand for property in Cha-Am and Khao Takiab.
Despite a slight slowdown in Hua Hin and Cha-am this year compared to 2015, the tourism outlook in these destinations is still good, with more than 3 million local and foreign tourists visiting Hua Hin in 2015, or an increase of 3 per cent from the previous year.
This continuous rise in tourists has resulted in a good market response for locations near tourist accommodations.
Overall, these areas show a 72 per cent market response rate versus total real-estate supply.
