Property Description

Thailand’s Revenue Department has introduced a groundbreaking land and building tax Thailand 2025 policy that represents the most significant tax reform for foreign investors in decades.
The new decree exempts foreign-sourced income from personal income tax when remitted to Thailand within the year it was earned or the following year.
This revolutionary change dramatically alters the landscape for expat property tax Thailand planning and creates unprecedented opportunities for international property investors seeking to optimize their Thai real estate portfolios.
For foreign investors considering Thai property investments, this tax exemption could reduce overall tax burdens by 15-35% annually, making Thailand an even more attractive destination for foreign direct investment in real estate.
Understanding these new regulations is crucial for maximizing investment returns while ensuring
